

In This New Year, Celebrate Your Health.

Get Vaccinated Against Seasonal Flu.

Start the new year off right by making sure that you and your family are protected against the flu.

To learn more, visit

<http://www.publichealth.lacounty.gov>.

If you don't have a regular health care provider, call 2-1-1 toll-free from any phone in L.A. County to find free or low-cost vaccinations near you.
